

MILTON HISTORICAL SOCIETY NEWSLETTER

April 2, 1997

About 20 years ago the Milton Historical Society started collecting memorabilia for a Milton Museum.

It is the hope of the Milton Historical Society to continue to preserve this collection, to continue this service for the town of Milton and to maintain a place where townspeople will have the ability to do research for themselves.

Many schoolchildren come to us for information and we are happy to spend the time helping them.

The future of the Milton Museum is uncertain since the Clark Memorial building has been sold.

In connection with this sale- the Select Board is saying the Civil War Monument must be moved, this is not a confirmed fact. If you are interested in keeping this monument in the Historic District of Milton --please contact them. SOON!!

Our present project is compiling a more complete history book.

Several townspeople are making important contributions through scrapbooks, pictures, letters and family and churches records. If you have not been contacted and have information to contribute, we will be happy to hear from you. Call Jane FitzGerald 893-2340, Mary Skapski 893-6547 or Gwen Brown 893-2267.

To newcomers and others who feel they do not <sup>have</sup> information to offer, we will welcome you to our meetings- it makes us happy just to share . We look forward to a bigger and better society.

We are especially interested in the history of families, family farms and businesses in the late 1800's and early 1900's.

We meet the first Wednesday of each month at the American Legion Hall, 7:30 P.M.
